Judge O'Malley was a federal judge for more than 27 years, including most recently serving on the U.S. Court of Appeals for the Federal Circuit, the only court that handles appeals of patent cases. In addition to her patent expertise, O'Malley also has substantial experience with other IP issues—copyright, trademark, trade secret, and the intersection of IP and antitrust—and with other areas of federal law, including securities fraud, tax matters, multi-district litigation and white collar criminal prosecutions.

She has received numerous awards over her career including the Sedona Conference “Lifetime Achievement Award,” the New Jersey Intellectual Property Law Association Jefferson Medal, the New York Intellectual Property Law Association “Outstanding Public Service Award” and the Intellectual Property Owners Association “Distinguished IP Professional Award.” She was inducted into the IAM IP Hall of Fame by Intellectual Asset Management and was named a lifetime honorary member of the Association of Corporate Patent Counsel. The Kathleen M. O'Malley Inn of Court was recently chartered in Cleveland, Ohio, as a tribute to her service. She is currently Of Counsel at Irell & Manella LLP.
